= available = on request

- ✓ strong optimal product enhancement → increases the buying impetus
- ✓ matt look → natural mould design
- ✓ no dipping process → microbiological advantage and time-saving
- ✓ despite smoking and second packaging retains the mould retains it's natural look
- ✓ optimal ripening, thanks to proven fibrous material
- ✓ uniform net
- ✓ efficient production → net and casing form singleside
- ✓ net remains tight with the sausage, even after maturation
- ✓ easy shirred processing is possible
- ✓ very high diametrical constancy
- ✓ easy to skin
